RN Staff Nurse

Christiana Care Health System - Newark, DE
March 2020 to September 2020

Medical Step Down Unit

- Administered scheduled medications and therapies intravenously, rectally, orally, subcutaneously and intramuscularly while overseeing pain management plans
- Delivered quality care and comfort to patients with heart failure, pulmonary hypertension, pulmonary embolisms and end-stage renal disease
- Conducted patient assessments and communicated important patient health information used to create focused treatment plans and manage ongoing care
- Assessed patients in active drug and alcohol withdrawal and provided interventions to manage physical and psychological withdrawal symptoms
- Assessed patient health needs by reviewing and tracking EKG readings to address telemetry readings and quickly inform teammates on stability or acuity changes
- Coordinated with clinical staff to keep patients updated and informed on care issues, including discharge delays, equipment inaccessibility and procedure postponements
- Monitored and managed various treatment and care interventions, including pressure injury prevention, ostomy care, and catheter insertion
- Utilized current best nursing practices to document accurately and efficiently, while maintaining strict adherence to HIPAA
