## Introduction

My name is Luke Livgren. I have started my nursing career working in emergency medicine and disaster relief. I pursued my nurse practitioner license with the desire to greater serve my community and people in need around the world. I'm seeking an opportunity to work, learn, and expand my skills in an environment that shares the same values and love for their neighbors.

## Certifications

- Certified Emergency Nurse (CEN)
- Advance Cardiac Life Support (ACLS)
- Basic Life Support (BLS)
- Emergency Nurse Pediatric Course (ENPC)
- Pediatric Advanced Life Support (PALS)
- Trauma Nurse Care Course (TNCC)
- NIH stroke scale certification

## Experience

### *Samaritan's Purse*

Disaster Assistance Response Nurse/Medical Coordinator

December 2016 - present

Serving victims of war, illness, and disaster in Iraq, Africa, Bangladesh, New York City, rural Alaska, and Dominica. Practicing the best quality of care in low resource environments. Improvising with medical equipment, supplies, and other resources to do the most good for the most people.

### *Aureus Medical Staffing*

Traveling Emergency Nurse

October 2015 - December 2016

Completing 20+ week contract assignments in short-staffed emergency departments at both the Mayo Clinic, and Valley Regional Medical Center. Quickly adapting to new nursing process, workflow, and equipment. Maintaining excellent patient care in challenging unfamiliar environments.

***Cox Health Systems***

**Emergency Department Staff Nurse**

April 2013 – September 2021

Prioritizing patient care in a fast paced, and high acuity environment. Performed appropriate Triage. Ordered, obtained, and interpreted appropriate pre-treatment tests. In depth daily patient education. Performed accurate physical assessment and event charting. Trained new staff and helped orientate new nurses to level 1 trauma care.

***Missouri State Emergency Management Agency***

**Disaster Medical Assistance Team Nurse**

September 2021 - Present

Our team operates throughout the state and are deployed to provide people the medical care they need when seconds count. Whether they are responding to a tornado, flood or other natural disaster; protecting health and saving lives in the wake of a terrorist attack or man-made disaster; providing support in the wake of a disease outbreak; or during times of mass fatalities.

***Graceland University Practicum Experience***

**Family Nurse Practitioner**

May 2021 – February 2022

As a student nurse practitioner, I completed 600 hours of in person practicum experience. My rotations included 180 hours of pediatrics, 180 hours of adults in internal medicine, and 240 hours in family practice. I met or exceeded all performance expectations and can provide references for these clinical rotations.

**Education**

<b>MSN</b>	Graceland University Master of Science in Nursing Family Nurse Practitioner	May 2022
<b>BSN</b>	Graceland University Bachelor of Science in Nursing	May 2019
<b>ASN</b>	Ozarks Technical Community College Associates of Science in Nursing	May 2013

**Community Service**

- Multiple overseas and domestic disaster relief missions

	<ul style="list-style-type: none"><li>• Volunteer for Victory Mission homeless shelter in Springfield, MO</li><li>• Founding leader of Hope for Addiction Springfield, MO, an addiction support group.</li><li>• Participant and organizer of multiple community outreach event through South Creek Church and The Summit Church</li></ul>
<b>Leadership</b>	<p>Served as an emergency department charge nurse and medical coordinator in Iraq where I oversaw national staff and coordinated with the World Health Organization, New York Medics, and Médecins Sans Frontières. Served as medical coordinator for the Samaritan’s Purse COVID-19 response in both New York City and Alaska. Currently working with the Missouri Emergency Management Agency, I have helped lead and organize teams dealing with the COVID-19 pandemic. Managed hospitals and clinics in war torn countries (most recently Ukraine).</p>
