**EDUCATION:**

December 2019 to December 2020: I obtained my RN Licensure, ACLS and PALS certification through Pueblo Community College. I did 108 Preceptor Hours in hospice, at the Hospice House at Mercy Medical Center.

August 2005 to May 2006: I obtained my LPN licensure, and IV certification through Pueblo Community College. I graduated with honors.

**EXPERIENCE:**

November 2021 to Present: Clinical Nurse Manager at Mercy Wound Care Center Healogics. My job duties include patient wound care, wound vacs, utilizing the nursing process to provide best practice wound care, assisting the provider in small surgical procedures and debridements, dressing wounds, Clinical management and reports, leading the wound care team. Ordering labs, cultures, imaging, obtaining prior authorizations for skin substitutes and therapy.

August 2021 to November 2021: RN at Animas Surgical Hospital. My job duties include: Pre-op patient preparation which includes obtaining past medical history, starting IV's, utilizing the nursing process to prepare the patient for surgery, ensure H&P are current, and all correct consents are signed. I also work in the Post Anesthesia Recovery Unit for patients, which includes monitoring ABC's, utilizing the nursing process to recover the patient after surgery and ensure they are safe to leave the facility to return home or discharge to the floor for their overnight stay.

February 2021 to December 2021: Mercy Home Health and Hospice. My job duties included: Case management of multiple patients, wound care, wound vacs, ostomy care, PICC line care, IV infusions, end of life comfort care and support, lab draws, post surgical wound and patient care, and extensive education on multiple/various different disease processes.

April 2013 to February 2021: LPN at Mercy Family Medicine. My job duties included: Patient care, assisting physicians in rooming patients, vital signs, medication refills, ordering labs, ordering diagnostic tests, assisting physicians in small surgical procedures, wound care, spirometry testing, performing

EKG's, injections, phlebotomy, Starting IV's, Administering and ordering immunizations, and training new incoming RN's, LPN's and MA's.

August 2006 to March 2013: LPN at Life Care Center Memory Care Unit. My job duties included: Medication administration, Starting IV's, Starting catheters and catheter care, Wound care, Care plans, Vital signs, Ordering medications for patients.

**CERTIFICATIONS:**
