- Observed procedures on various units (L&D, forensic, PACU, OR, Cardiac telemetry, COVID ICU, etc.)
- Provided direct patient care on COVID unit.
- Collected vital signs, I's & O's, & measured blood glucose readings.

**Sister Love, Inc.**

**Atlanta, Georgia**

**Health & Prevention Intern, Women & Reproductive Health**

September 2015 – December 2018

- Developed a research project where I analyzed the attitudes and acceptance of offering prenatal and Pre-Exposure Prophylaxis (PrEP) education among discordant and concordant couples. The intended results from this research will be used to present a poster presentation at Morehouse College's Health Expo and Spelman College's Research Day in April 2016.
- Participated in training for Rapid HIV/AIDS Testing, STI testing (Syphilis, Chlamydia, Gonorrhea, and Trichomoniasis) and FC2 Female Condom Training.
- Assisted and observed support groups (LGBT/HIV) and special events, such as Leading Women's Weekend, which honors women who are HIV positive and have been involved in the community for over twenty years.
- Organized a walk against crisis pregnancy centers or resource centers and presented a program called COCKtails and Conversations", a prevention initiative where we talk about safe sex practices and offer free pregnancy testing, HIV testing, and STI testing.
- Planned a policy and advocacy project focused on HUD/HOPWA funding to organizations housing individuals living with HIV. A petition was created to get the city council's attention that delayed funding to HOPWA-funded agencies.

**Children's Healthcare of Atlanta**

**Atlanta, Georgia**

**Hospital Volunteer**
