

RONIESH SANDERS

Powder Springs, Georgia

(912) 978-9923

Latra15@gmail.com

OBJECTIVE

Driven healthcare professional skilled in working with the adult and mental/behavioral health population; strong critical thinking and problem-solving skills. Highly adaptable to procedural and policy changes; knowledgeable in cardiac drips and administering high alert medications. Seeking an opportunity to contribute safe effective patient care to a healthcare organization. Well-rounded in documenting patient assessment and condition via EPIC. As an RN, I possess sharp clinical skills (assessment, interventions, problem-solving, etc), along with medication administration, charting, education, etc.

EDUCATION

Bachelors of Science, Sociology Minor in Psychology **2017**
University of West Georgia, Carrollton, Georgia

Diploma of Practical Nurse **2020**
Dalton State College, Dalton, Georgia

Associates of Science in Nursing, Cum Laude **2022**
Dalton State College, Dalton, Georgia
