

GEENA WRIGHT, MSN, BSN, RN-BC

PROFILE

Proficient Registered Nurse with a friendly and warm demeanor. I am a proactive teambuilder who is attentive to patient and caregiver needs. Essential part of the management team at Sacred Heart. Seeking a new position where I can utilize my skills in a new setting to expand my current knowledge and contribute as a team member to maximize quality patient outcomes.

WORK EXPERIENCE

Assistant Nurse Manager-Medical Oncology (7S)

Providence Sacred Heart Medical Center. Spokane, WA
2019-Present

Supervise caregiving staff. Improve caregiver performance through coaching and training. Prepare shift assignments multiple times a day. Communicate with Admit Transfer Center, Integrated Resource Center and House supervisor to verify quality and safe patient throughput. Resolve patient and caregiver conflicts. Managed the unit schedule and timecards for accuracy based on unit needs. Managed Medical Oncology unit as the only ANM for 10 months during the COVID-19 pandemic. Complete admin tasks such as check-ins, answering phones and call lights, supply management and high volumes of emails.

Registered Nurse, Medical Oncology (7S)

Providence Sacred Heart Medical Center. Spokane, WA
2017-2019

Practiced proficient nursing skills on an acute medical surgical unit. Obtained my Chemotherapy administration certification. Assisted in carrying out physician orders. Notified providers in a timely manner based on facility policies. Worked with Autologous Stem Cell transplant patients. Trained to become a relief charge nurse to run the day-to-day unit when needed. Unit Based counsel chair where we worked on projects such as Zen Room renovation to improve caregiver satisfaction and reduce burnout.
