### **Personal Summary:**

I am a talented nurse with almost 7 years of experience in the Operating Room and PACU. I am extremely familiar with some operating room procedures, and have played a part in numerous procedures. I also had 1 year experience as an Emergency Nurse. I believe that with my willingness to learn new things to elevate my knowledge and skills, combined with my knowledge of operating room activities and procedures will be a good contributor in providing an effective nursing professional in your organization.

### **Career Objective:**

An enthusiastic, goal oriented, and cooperative health team member seeking an opportunity to work in an environment that utilizes the skills and abilities that are demonstrated to be necessary for the duties performed.
