PROFESSIONAL SUMMARY: Registered Nurse looking for part time or per diem shifts. I am seeking opportunity to expand skills and contribute to organizations success. Considered hardworking, ethical, and detail-oriented.

Work Experience

RN Staff Nurse

UCHealth - Colorado

November 2021 to Present

Working as Staff Nurse in Oncology/ Med Surgical unit.

RN Case Manager Hospice

Dignity Hospice of Colorado LLC - Thornton, CO

August 2020 to November 2021

Hospice Case Manager with 15 pt caseload. Admitted Hospice patients and was involved in multidisciplinary biweekly meetings.

Inpatient Hospice Nurse/Charge Nurse

Hospice of the Valley - Phoenix, AZ

August 2017 to July 2020

Provided end-of-life care and hospice services to patients in an inpatient hospice facility.

Documented problems, nursing assessments, appropriate goals, care provided, care interventions and patient and family outcomes achieved from intervention and care provided.

Assessed all aspects of the patient's pain and developing an individualized pain management plan.

Anticipated, prevented and appropriately treated undesirable symptoms or secondary symptoms.

Hospice Registered Nurse Case Manager

Comprehensive Hospice and Palliative Care - Phoenix, AZ

July 2016 to July 2017

Facilitated open communication between patients and healthcare team, discussing medications and terminal illness care to improve understanding.

Supervised work of nursing staff and assistants, assessing work performance regularly.

Minimized pain and discomfort with medical and non-medical interventions.

Travel Staff Registered Nurse

Cross Country Trav Corps - Boca Raton, FL

September 2011 to July 2015

Completed 12 week assignments at various acute care Hospitals in Colorado, New York and Arizona in Float Pool, Telemetry and PCU positions.

Administered medications to patients and monitor patients for reactions or side effects to quickly intervene in serious issues.

Stabilized patients during emergencies with first aid and life support care.

Delivered evidence-based, cost-effective care to every patient based on extensive experience in Telemetry/Step-Down care.

Registered Nurse/Charge Nurse

The Medical Center of Aurora - Aurora, CO

August 2004 to September 2011

Developed and implemented treatment plans for patients with various acute and chronic concerns.

Conducted accurate chart updates in computer system.

Administered oral, IV, and intramuscular medications as part of patient treatments.

Managed direct care of patients, including conducting assessments and documenting care activities.
