Work Experience

Pap Smear Coordinator

Denver Health - Denver, CO

January 2022 to Present

I review all Pap smear results from within the Denver Health system. I coordinate all follow up care and I work within the system to track thousands of patients to assure they receive the follow up that is needed.

Clinical Charge Nurse

Denver Health Women's Care - Denver, CO

October 2018 to January 2022

Charge Nurse of the Women's Care Clinic at Denver Health. Our clinic provided care for up to 300 patients per day. I was in charge of all medical assistants and RN's to assure each patient received the care they needed.

Registered Nurse

Denver Health Medical Center - Denver, CO

August 2001 to February 2018

Maternal Child Health. I worked in the mom/baby, and labor and delivery departments at Denver Health.

Clinical Nurse

Horizon Women's Care

June 2007 to December 2007

In the clinic I was responsible for seeing uncomplicated OB patients for their initiation of care, teaching, planning of visits and triage. I also assisted with the care of GYN patients in the office. I assisted with procedures such as colposcopies and I scheduled surgeries for patients and coordinated with the doctor for follow up as needed.

Registered Nurse

Horizon Women's Care

June 2007 to December 2007

Charge Nurse

June 2004 to June 2007

and April 2011 - July 2014)

As the unit charge nurse I performed supervisory functions over the floor nurses and support staff. I managed and coordinated the activities of employees. I determined work procedures and I expedited workflow.

The charge nurse is responsible for assigning duties and reviewing work. As the charge nurse I was responsible for all departments regarding problem solving, conflict resolution, and policy interpretation to ensure smooth operation of all services on a shift basis. I was responsible for making staff assignments and I would assess/adjust staffing to accommodate admissions, and changes in patient census or care needs.

Clinical Scholar for students

Arapahoe Community College
March 2007 to May 2007

Per Diem.

Crosstrained Staff Nurse

Denver Health Labor and Delivery
October 2005 to October 2005

As a staff nurse on Labor and Delivery I am able to care for patients during labor and delivery including during cesarean sections.

Registered Nurse

Denver Medical Staffing
April 2002 to October 2004

Various Hospitals in the metro area. Per Diem.

Staff Nurse

August 2001 to June 2004

June 2007 - April 2011, and Nov 2014 - Feb 2018)

I successfully managed and provided excellent care for 6 - 8 patients at a time. On the Mom/Baby unit I cared for antepartum, postpartum, and newborn patients. During my time as a staff nurse I received specialized training in newborn admissions and I had achieved the Level 4 status with the Denver Health Pro-Cap program. I am able to provide care as well as assess/resolve problems with the rest of the health care team for all of the mom/baby patients.
