My name is islem maazoun , a scub technician nurse . I am 26 years old ,from tunisia . I get my diploma in 2019 . I work in three different polyclinic in tunisia , Arij djerba , l'international djerba and Majed sidi bouzid . I love my job . I wanna learn more and experience new techniques in all the world .

Willing to relocate: Anywhere

Work Experience

Surgical Scrub Technician

Polyclinique Majed - Sidi bouzid

April 2022 to June 2022

This period makes me know about new surgical techniques , meeting new surgeon and enlarging knowledge . Every experiencing tough you something . ..

Surgical Scrub Nurse

Polyclinic l'international - Houmet souk djerba

July 2020 to March 2022

It was a good time that i spend it with my team . This period of time makes me more professional . I learned about electroscopic methods and techniques . I learned about the esthetic surgey , the ortopedic and gynecology . In the opearating room , i perform , i do my best , i try hard to not make a mistake wich can hurt the patient . I like helping people's lifes , i love surgery .

Surgical Scrub Technician

Polyclinique Arij - Djerba

December 2019 to July 2020

This 6 month teach me how to ask about the patient's all information and be careful while mooving him from the operating table to his bed . You pay more attention and you care about every detail . You chek if the equipement are active and you learn new technical surgerys habits . So i learn a lot from my first experiance in a plyclinic .
