- Proficient in Meditech and PointClickCare
- Evidence-based practices
- Patient advocacy
- Care prioritization
- Vitals monitoring
- Medication administration

PROFESSIONAL SUMMARY

Observant and highly trained Critical Care Nurse skilled at multitasking in high-pressure settings caring for critically ill patients. Monitor patients with care, checking vitals and responses quickly to provide immediate interventions for different issues. Deliver exceptional care to every patient. Stays on top of demands in fast-paced environments by effectively using slow periods. Maintains organized, clean and safe work areas with diligent attention to important details. Reliable candidate ready to take on challenges using problem-solving and task prioritization skills to help team succeed.

EXPERIENCE

Critical Care Registered Nurse, Jul 2021 - Current

HCA Florida Memorial Hospital, Jacksonville, Florida

- Provided patient care in a generalized 36-bed ICU unit serving trauma patients and inpatient surgeries.
- Monitored patient vital signs and notified attending physicians of changes. Assisted physicians with emergent situations.
- Administered IV, oral, and injections of medications as directed.
- Educated family members on patient conditions in a compassionate way. Assisted with conflict resolution in tense situations.
- Documented procedures, patient conditions, and medication administration with 100% accuracy.
- Responsible for direct care of patients suffering from acute respiratory failure syndrome due to COVID19.

Registered Nurse, Mar 2020 - Current

Arbor Medical Staffing, Jacksonville, Florida

- Utilized scanners to scan patients and their medications to minimize errors during patient care with 100% success
- Planned, organized and evaluated nursing care activities and delegated responsibilities to subordinates
- Proactively assessed potential problems and initiated solutions utilizing Best Nursing Practices

Licensed Practical Nurse, Oct 2019 - Aug 2021

Integrity Health Services, Jacksonville, Florida

- Monitoring vital signs and health condition
- Administering treatments
- Helping with personal hygiene

Licensed Practical Nurse, Apr 2018 - Mar 2020

Lakeside Nursing and Rehabilitation & Center, Jacksonville, Florida

- Cared for patients' diseases and wounds, attended patient/family needs, used technology to chart on the treatments done and communicated with the physicians resulting in better patient and health care provider relationship
- Enforced monitoring systems of patients and their medications and treatments to allow patients to spend less time in recovery and more time on enjoying health life.
