EXPERIENCE

February 2022-Present

MICU Registered Nurse • AMN • Emory University • Atlanta, Georgia

- As a registered nurse on a medical intensive care unit, I care for 1-2 patients diagnosed with COVID but not limited to cardiovascular, gastroenterology, pulmonary, and renal diseases in critical conditions.

January 2021- January 2022

MSICU Registered Nurse • Advent Health • Orlando, Florida

- As a registered nurse on a multisystem intensive care unit, I care for 1-2 patients diagnosed with but not limited to cardiovascular, gastroenterology, pulmonary, renal diseases in critical conditions and COVID patients.
- I assist in bedside procedures alongside physicians including but not limited to intubations, chest tube placements, central line placements, tracheostomy tubes, percutaneous endoscopic gastrostomy tubes, and arterial line placements.
- I care for patients on ventilators as well as titrate sedations, vasopressors, antidysrhythmic and other medications as needed.

March 2020- January 2021

MSPCU Registered Nurse • Advent Health • Orlando, Florida

- As a registered nurse on a multisystem progressive care unit, I care for 4- 5 patients diagnosed with but not limited to cardiovascular, gastroenterology, pulmonary, renal diseases.
- I am able care for patients with tracheostomy tubes, colostomy bags, percutaneous endoscopic gastrostomy tubes, nasogastric tubes, dobhoffs, wounds and chest tubes.
- I insert IV's and draw labs daily.
- I precept graduate nurses, newly hired nurses and travel nurses.
