

# EDUARDO (EDDY) ESCOBAR

## RESUME OBJECTIVE

Knowledgeable and compassionate bilingual nursing staff member with 4+ years of Certified Nurse Assistant experience and hospital clerical support. Committed to serving all facets of patient medical and personal needs. Focused on delivering high-quality care to individuals of all cultures and backgrounds. Eager to learn from and contribute to the field of nursing.

## EXPERIENCE

### Critical Care Registered Nurse- Progressive Care Unit

Denver Health and Hospital Authority (Denver, CO) / August 2021 – June 2022

- Educate public on care including pre/post treatment of procedure, inpatient daily needs, and after visit care.
- Perform nursing procedures per facility protocol
- Performed assessments, patient care and implemented interventions at a 28-bed step down unit
- Worked with interdisciplinary care team to notify of clinical changes as well as prepare and implement patient plan of care
- Monitored vital signs, patients' response to procedures, levels of consciousness and pain.
- Administered medication as determined by patients condition as well as physician orders
- Maintain a clean and professional work environment including prepping rooms for new admission based on unique needs
- Clean and perform maintenance on medical equipment to ensure proper function and cleanliness
- Record accurate and clear medical documentation in patients

### Certified Nursing Assistant

Denver Health and Hospital Authority (Denver, CO) / June 2016- July 2021

- Fostered relationships with patients, caregivers and healthcare teams to achieve individual care plan targets.
- Documented patient intake and dietary requirements, also assisting with feeding and monitoring.
- Responded to patient alarms and needs-assessment request to identify course of treatment.
- Documented information in patient charts and communicated status updates to interdisciplinary care team.
- Greeted visitors and determined to whom and when they could speak with specific individuals
