

TAYLER MARIE CORNELIUS

2095 15th Street SW Loveland, CO 80537
(970) 658-7101

Objective:

I am an experienced RN, looking to continue my career in a new position. I would like to continue being an asset providing care to an underserved population. My strengths include critical thinking and working in a high stress environment. I can multi-task effectively, easily jumping from one assignment to another. I am able to work as a team, and help where I am needed. Most importantly I put my patient's first above all else, as they are my highest priority.

Experience:

Northpoint Recovery

RN 10/01/2021 – 09/12/2022

- Provided excellent nursing care to patients during detox from alcohol and other substances.
- Worked with interdisciplinary team to provide ongoing treatment throughout their 7 to 28 day stay in our rehab facility
- Provided empathetic and compassionate care for patients dealing with substance use disorder, as well as personality disorders, mood disorders, suicidal ideation, and more.
- Initiated care plans and gathered initial assessment data before each patient began treatment
- Collected specimens, placed TB tests, obtained labs via blood draws, obtained vitals, administered oral medications, injections, and immunizations.
- Obtained EKG's and other tests as indicated by the provider
- Obtained orders from provider, entered them into the patients chart, and worked along side clinical staff to support individualized care mentally and physically
- Used therapeutic communication skills to de-escalate agitated patients
- Assessed each patient and decided if they were medically and mentally appropriate for the facility
- Delegated tasks to LPN's and recovery techs

Good Samaritan Society Ft. Collins Village and Loveland Village

Ft. Collins Village: 9/2019 - 10/2021

Loveland Village: 3/2017 - 9/2019

- Administered medications IM, IV, PO
- Delegated tasks to CNA's and LPN's
- Assessed patients and provided care accordingly
- Worked with interdisciplinary team to provide care per nursing care plans and physicians orders
- Provided hospice cares
- Worked along with family members to provide information and support
- Admissions

Weld County Jail- via correct care solutions LPN and RN

- Provided empathetic and professional care to a diverse population
- Conducted CIWA and CWS
- Patient assessments
- Administration of medications
- Glucose checks
- Emergency response

Education:

- Associates in applied sciences, RN in May 2016 from Aims Community College Greeley, CO
- High School Diploma in 2007 from Thompson Valley High School Loveland, CO
