## WORK EXPERIENCE

- Maxim Healthcare Staffing Services, Inc.**—Registered Nurse (Travel) 01/2022—**04/30/22**
  - **Parkland Memorial Hospital**—ED Observation Unit (Dallas, Texas) 01/09/2022—04/30/22  
16-week assignment completed in excellent standing. Provided comprehensive nursing care for 4-5 acute patients in observation and inpatient status using Epic charting system. Daily mixed assignment of Med-Surg, Telemetry, and Step Down patients dependent upon patient status when they received admission orders. Performed daily frequent phlebotomy and stat labs of varying kinds.
- Trustaff Travel Nurses**—Registered Nurse (Travel) 07/2021—12/18/21
  - **Methodist Specialty & Transplant Hospital**—Telemetry (San Antonio, Texas) 10/25/2021—12/18/21  
8-week assignment completed in excellent standing. Provided comprehensive nursing care for up to 9 patients utilizing team nursing side by side with LVNs on a Med-Surg/Tele Unit using Meditech charting system.
  - **Methodist Stone Oak Hospital** –ER Holding (San Antonio, Texas) 07/26/2021—10/23/21  
13-week assignment completed in excellent standing; cared for 4-5 acute patients that were newly admitted into ER holding using Meditech charting system. Daily mixed assignment of Med-Surg, Telemetry, and Step Down patients dependent upon patient status when they received admission orders. Worked side by side with ER staff.
- CHRISTUS Santa Rosa Hospital-New Braunfels**—Med-Surg/Tele; Intermediate Care (New Braunfels, TX) 07/2021—**Present**  
Registered Nurse—PRN (Staff)  
Will function as charge nurse or floor nurse primarily on Med-Surg/Tele; will also float to intermediate care unit depending upon where the need is on my scheduled workdays.
- CHRISTUS Santa Rosa Hospital-New Braunfels**—Med-Surg/Tele (New Braunfels, TX) 12/2017—07/2021  
Registered Nurse—Charge Nurse (Staff)  
Ensured fluent productivity and maintained staff safety, while providing quality patient care to 1-4 patients on Med-Surg/Tele unit. Made staff assignments and assisted with all codes and service recovery issues as they occurred.
- CHRISTUS Santa Rosa Hospital**—Intermediate Care (San Antonio, TX) 09/2017—12/2017  
Registered Nurse—Float Pool (Staff)  
Provided nursing care throughout various CHRISTUS facilities as a “Life Saver” float nurse on Med-Surg, Tele, and Step Down units, wherever the need was on my scheduled workdays.
- CHRISTUS Spohn Hospital Corpus Christi-Shoreline**—Cardiac Step Down (Corpus Christi, TX) 06/2016—09/2017  
Registered Nurse—Floor Nurse (Staff)  
Titrated cardiac related drips, provided cardiac post-op care (s/p CABG, fem-pop, LHC, etc.), and assisted cardiac rehab in recovery efforts for 5-6 primarily intermediate level cardiac patients per assignment.
