Work Experience

RN Robotic Coordinator

Enloe Medical Center - Chico, CA
February 2022 to July 2022

- Responsible for the development and direction of the Robotics Program. The Enloe Robotics Program includes 6 specialties, 10 physicians, and OR staff.
- Responsible for the The Center of Excellence in Robotics Accreditation application, approval, and maintenance of data for ongoing accreditation.
- In charge of developing and implementing services and activities related to the Robotics Program including growing, managing, and training.
- In charge of tracking and maintaining quality standards including quality metrics and collecting data for cost analysis of robotic versus laparoscopic versus open procedures.
- Responsible for clinical troubleshooting of the robot during procedures, clean-up of preference cards, and communication with the clinical service representative.

RN Circulator

Enloe Medical Center - Chico, CA
June 2018 to February 2022

- Trained circulating nurses on the DaVinci robot.
- Thorough patient assessments prior to surgery and answering patient's questions to help alleviate any concerns.
- Coordinated and oversaw assigned operating room making sure all supplies needed for the operation were readily available before bringing the patient back. This helped develop a strong organizational ability provided the limited time for room turnovers.
- In-depth understanding of patient positioning concerns and constantly monitoring patients for safe positioning in order to prevent any related injuries.
- Excellent knowledge of aseptic and sterile techniques.
- Great team player with excellent communication skills. Regularly communicating with providers.
- Ability to work and thrive in very stressful environments

RN- Outpatient Surgery Center

Feather River Hospital - Paradise, CA
August 2017 to June 2018

- Responsible for assigned procedure room and facilitating an efficient workflow to keep the room running on schedule, including such things as troubleshooting scheduling problems, outdated history and physicals, contact precaution cases, and contacting all staff to be in the room at the scheduled time.
- Assessment of patient prior to bringing patient back to procedure room and answering any questions the patient may have.

- Make sure all equipment necessary to perform the procedure is in the room prior to bringing the patient back.
- Once in the room getting the patient hooked up to all monitors prior to sedation and then helping with the procedure as necessary.
- Trained in the GI procedure room and in patient admits.

RN Circulator

Enloe Medical Center - Chico, CA
August 2016 to August 2017

- Thorough patient assessments prior to surgery and answering patient's questions to help alleviate any concerns.
- Coordinated and oversaw assigned operating room making sure all supplies needed for the operation were readily available before bringing the patient back. This helped develop a strong organizational ability provided the limited time for room turnovers.
- In-depth understanding of patient positioning concerns and constantly monitoring patients for safe positioning in order to prevent any related injuries.
- Excellent knowledge of aseptic and sterile techniques.
- Great team player with excellent communication skills. Regularly communicating with providers.
- Ability to work and thrive in very stressful environments.

Server

Outback Steakhouse - Redding, CA
October 2009 to August 2016

- Functioned independently with a high degree of sales proficiency. Consistently exceeded sales goals by effectively managing sections and multi-tasking. Constantly recognized as one of the top five in sales for liquor, wine, beer, and PPA.
- Recognized as a "Certified Trainer" for hosts, take-away, and servers. This includes leadership and mentoring of new employees and thorough knowledge in each area. Helped develop new more effective training modules.
- Showed positive movement year over year. Recognized as a lead server and offered position of Key (hourly manager).
- Built regular customers over the years by providing excellent patron experiences through phenomenal customer service in a very demanding environment. Cultivated profitable client relationships by generating repeat and referral business.
- Directly dealt with customer complaints and problem solved for solutions in order to exceed customer's expectations.
