Work Experience

RN Care Coordinator - Gender Health Clinic

UVA Crozet Family Medicine and Specialty Care Clinic - Charlottesville, VA

December 2021 to Present

- New and developing RN Care Coordinator role for growing Gender Health Clinic. Assist physicians with improving medical accessibility for patients desiring gender affirming care.
- Insurance pre-authorizations, prescription management, POC testing, lab draws, rooming patients and general overall office liaison for patients and providers.

Family Nurse Practitioner, Sexual Health and Reproductive Clinics

Thomas Jefferson Health Department - Charlottesville, VA

January 2019 to October 2021

- Began career as a Family Nurse Practitioner. Focus of practice delivering Sexual Health and Family Planning Services and guidance for community within the Thomas Jefferson Health District. Traveling Nurse Practitioner for Louisa, Green, Fluvanna and Nelson Counties to host clinics for multicultural client base for men/women of reproductive ages. Skills include annual well visits and pap smears, IUD and Nexplanon insertions/removals, microscopy, prescribing birth control and emergency contraception, preventative care, STI diagnosis and treatment. Work within Title X Family Planning and FPNTC guidelines.
- Work with PREP (Pre exposure prophylaxis for HIV) and LGBTQIA clients monitoring prescribed treatment.
- Collaborated with the Charlottesville International Rescue Council and UVA performing physicals to newcomer adults and children.
- Assist/complete Virginia Medicaid Long Term Services and Support Screening for families in need of assistance.

RN -Clinician IV, Wendel 3, Labor and Delivery

Martha Jefferson Hospital - Charlottesville, VA

January 1997 to December 2019

- Senior Clinician with over 28 years experience working with women and families during pregnancy, childbirth and postpartum experience.
- Collaborate with physicians and DO's to provide optimal care for families and mothers.
- Precept new employees, graduate and undergrad students from local University and Community Colleges.
- Co-Chair of Perinatal Bereavement Committee and assist with planning and development of annual White Rose Ceremony to honor families experiencing loss of infant/child.

RN - Clinical II, Labor & Delivery, Gyn/Oncology

University of Virginia Hospital - Charlottesville, VA

January 1991 to December 1997

- Established the foundation for my career as a RN in bedside nursing on the Gyn/Oncology unit.
- Cared for Gyn/Oncology patients post-surgical procedures and was certified to administer chemotherapy at bedside.
- Progressed to a Clinician II in Labor & Delivery where I worked with students, residents and OBGYN Attending Physicians caring for low and high-risk antepartum patients.
- Duties included bedside nursing on post-partum, Labor & Delivery, OR/PACU and GYN small procedures in OR.

Nursing Assistant

University of Virginia Hospital - Charlottesville, VA

January 1990 to December 1991

Gyn/Oncology

- Initiated my journey as a nursing assistant on GYN/Oncology.
- Duties included direct patient care as a nursing assistant.
- Experiences on this unit instilled a strong foundation to becoming a nurse filled with compassion, dedication and the desire to become a leader in Nursing.
