Work Experience

RN Home Health Nurse

NHC HomeCare - Milan, TN

March 2020 to Present

I am an RN who travels to PT's homes and provides skilled care including blood draws, wound care, OASIS Plan of Care, etc using HCHB.

Registered Nurse

Jackson Madison County General (West Tennessee). - Jackson, TN

January 2014 to October 2016

I work in the CVICU where I take care of patients who have had many types of cardiovascular surgery. I am responsible for administration and titration of multiple IV drips.

Registered Nurse

Baptist Memorial Health Care Corporation - Memphis, TN

January 2012 to January 2014

I worked in a combined cardiovascular/ cardiac intensive care unit.

Registered Nurse

Intrepid USA Healthcare Services - Jackson, TN

October 2016

From October 2016 to January 2019, I was a field staff RN responsible for providing direct patient care in the homes including IV administration, wound care, lab draws and many more nursing skills including developing the patients plan of care. Since January 2019 I have been the Clinical Supervisor directly above the field staff. I have been responsible for adjusting patient's plan of cares, communicating orders between doctors, insurance companies and referral sources and insuring that the Patient's were properly cared for by my field staff
