PROFESSIONAL SUMMARY

I've been a nurse for 12 years with experience in maternal newborn, antepartum, intrapartum, and postpartum care. I also have 8 years of experience in pediatrics in a low acuity setting. I have experience in teaching patients, peers and students. I am experienced in precepting new employees. I am passionate about patient care and I am always looking for new ways to strengthen my skills or broaden my horizons. I'm known for being a hard worker who works well with my colleagues and management staff.
