Work Experience

Self-Employment

eBay Inc. - Janesville, WI

August 2013 to Present

I manage a profitable eBay store specializing in trendy fashion and small children's toys, vintage music/sports collectibles, trading cards and rare books. During the COVID-19 pandemic and beyond, demand for many goods have skyrocketed, affording me the opportunity to grow the size of my business and sell through additional outlets incl. Amazon, Craigslist, etc. With more relaxed daycare covid protocol and K-12 school back in session, I'm excited to jump back into healthcare.

Never missed or was late for a single shift. I was a PM shift LPN on the team, handling admissions, discharges, med pass/treatments, and medicare charting for short-term and long-term residents. Paper & electronic charting (ECS, PCC, EPIC)
