Work Experience

ICU/CCU RN

West Anaheim Medical Center Hospital - Anaheim, CA

May 2020 to Present

- Collaborated with physicians to quickly assess patients and deliver appropriate treatment while managing rapidly changing conditions.
- Teamed on cardiac arrest and rapid response calls in ICU and CCU units as well as other departments within hospital.
- Provided comprehensive nursing care to critically ill patients on ventilators, various types of supplementary oxygen, Intra-aortic balloon pump, dialysis, Gaymar machine, A-lines, CVPs, and Swan-Gans.
- Administrator and monitored patients' multiple intravenous medications to maintain life support such as sedatives, vasoconstrictors, vasodilators, benzodiazepines, opioids, paralytics, insulin, blood thinners, and resuscitation fluids.
- Supervised 10 nurses including CNA staff members on 20-bed unit as Relief Charge Nurse. Coordinated flow of patient discharges, transfers, and admissions.
- Provided conflict resolution to escalating situations. Coached staff members on hospital's policies and procedures.

Float/Resource RN

Los Angeles Community Hospital - Los Angeles, CA

April 2020 to June 2020

- Oversaw license vocational nurses' daily task and charting such as, assessments, plan-of-cares, education, and medication administration record.
- Monitored patient condition by interpreting and tracking EKG readings, identifying irregular telemetry readings and updating team members on changes in stability or acuity.
- Provided direct patient care, stabilized patients and determined next course of action.

Float/Resource LVN

Los Angeles Community Hospital - Los Angeles, CA

February 2015 to June 2020

- Provided care to a diverse caseload of patients in Medical-Surgical, Telemetry, Psychiatric, Emergency and Subacute departments.
- Frequently worked alongside multiple departments to coordinate patient care needs, such as: processing physician's orders, assessments, & plan-of-cares, assisting RNs in ICU & overflow areas, reconciling discharges, and pre/postoperative patient treatment & teaching.

- Collaborated with management (including both hospital administration and charge nurses) with regards to recurring tasks such as patient flow maintenance, floor assignment implementation, and new hire training.

Support Specialist

Mercury Insurance Corporate Office - Rancho Cucamonga, CA

September 2012 to March 2015

Trained new Appraiser's on filing out DMV transfer documents and electronic R-post. Train new Support Specialist on job related duties, procedures, and policies. Attend staff meetings on behalf of other support specialists.
