

Henok (Henny) Kifle

📞 2064327052

PROFILE

Dedicated, compassionate, and hardworking RN with skills in patient care, medication administration, and treatment implementation. Detail-oriented, team player, and proficient in routine care and emergency response. Looking for a challenging and rewarding position.

EDUCATION

BSN, Pacific Lutheran University 09/2016 – 12/2019
Bachelor of Science in Nursing and Minor in Psychology Tacoma, WA

PROFESSIONAL EXPERIENCE

Revolution Psychiatric and Addiction Treatment, Registered Nurse 03/2022 – present
Mercer Island, WA

- Establish IV access, and begin and monitor patients during infusion.
- Provide patient education about their treatment and answer questions about adverse reactions
- Consulted with psychiatrists about client medication changes, issues with medicine compliance, and efficacy of medications.
- Collaborated with treatment and service providers for continuity of care.
- Conducted independent risk assessment for self-directed violence, analyzing risk factors, protective factors, mental status, and current triggers/cravings

Veterans Administration, Registered Nurse 07/2021 – 03/2022
Seattle, WA

- Worked in the Spinal Cord Injury unit where I evaluated intensive care patients, recognized and addressed complications, and coordinated treatment with other members of the critical care team.
- Performed blood and blood product transfusions and intravenous infusions to address patient symptoms or underlying causes.
- Assessed and prepared patients for procedures, performing initial and ongoing patient assessments.
- Assisted patients with healing and recovery after surgery by closely monitoring and caring for wounds, answering questions and educating about continued care strategies.

Maxim Healthcare, Registered Nurse 01/2021 – 07/2021
Redmond, WA

- Provided over 200 vaccinations a day to community members
- Maintained patient flows, and assisted physicians with non-invasive procedures.
- Maintained thorough, accurate, and confidential documentation in electronic medical records.

Transitional Care Center, Registered Nurse 07/2020 – 01/2021
Seattle, WA

- Trained and mentored new RNs on best practices, hospital policies, and standards of care.
- Oversaw patient admission and discharge processes to coordinate related paperwork.

Brighstar Care, Registered Nurse 03/2020 – 06/2020
Puyallup, WA

- Delivered home care to patients with a central line or PICC.
- Cleaned and monitored insertion sites.
- IM Medication administration/IV Blood/Protein infusion
- Changed PICC/ Central line dressings.
- Educated patients on proper wound care and infection control
