Work Experience

Registered Nurse

Deers Head Hospital
Present

I began my career in hemodialysis as a dialysis technician in 2004. I held that title for 8 years, in which during those 8 years I put myself through nursing school at Wor-Wic Community College. I graduated in 2011 with an associate degree in Science of nursing. My nursing career started in 2011 at PRMC in the ICU. After 2 years of working as an critical care RN, in 2012 I turned gears and returned back to roots as RN in hemodialysis.
