I have 22 years experience LTC as a LPN. 12 years experience LTC as a CNA. Proudly I graduated valedictorian of my nursing class. I love LTC. But, nursing with MI, TBI, DD & Substance Abuse is where I learned alot of different areas of nursing. I also worked 5+ years on a LTC vent unit being cross trained to also work respiratory.

License #: 043085481

Willing to relocate: Anywhere

Authorized to work in the US for any employer
