

KATHERINE WARREN

Missoula, MT | 978-235-5231 | rnkatiwarren@gmail.com

New registered nurse (RN) with 5.5 years military medical experience in a clinical setting specialized in direct patient care, health promotion, interdisciplinary teamwork, and communication. Direct experience with military medical record systems, reporting tools, databases, and policies. Proactively streamlined operations within two military Medical Groups, initiating tasks and supporting healthcare team, while prioritizing quality patient care. Professional and compassionate patient-focused caregiver. Desire to be trained in a different area of nursing.
