## CLINICAL EXPERIENCE

### St. Joseph Medical Center (Emergency Room) Sept 2021-Present

Provided nursing care within Level 3 Trauma Center.

Collaborated with various ER professionals to ensure effective patient care.

Applied expertise in prompt patient condition assessment on patient arrival at the ER during initial phases of acute illness or trauma.

Monitored ER patients, including alerting physicians or charge nurses to changes in patient status, communicating with patients and their family members in a variety of traumatic situations.

Performed medical procedures, such as EKG, CPR, cardiac monitoring, taking vital signs, IV start, NG tube administration, Foley administration, and administering medications through all routes (PO, IV, Subcutaneous).

Performed laboratory duties, including urinalysis, throat cultures, nasal swabs, blood cultures, blood draws, etc.

#### Key achievements:

Unfailingly provided emergency medical care to numerous patients in critical condition per shift in an 18-bed Hospital Trauma Center.

Offered position as ER nurse immediately following graduation.

## NURSING STUDENT EXPERIENCE

### MD Anderson (Medical-Surgical) 2019

Treated patients by administering medication and performing set nursing skills.
