Experience

Registered Nurse

09/2020 - Current

Northside Hospital Atlanta | Atlanta, GA

- Provide direct and quality care to patients including assessing, evaluating and collaborating with the healthcare team to ensure there is a patient-centered plan of care.
- Interact and communicate with patients of all ages and ethnic backgrounds, giving the best quality care and treatment
- Participated as a member of multiple hospital clubs including skin care team, code blue crew, and shared governance. These clubs allow us to sign up for in-service education and discuss how we can improve our floor as a whole.
- Trained and able to titrate cardiac drips including assessments and vital signs
- Able to perform assessment and monitoring for post-cardiac catheterization patients and post-AICD placement patients
- Trained and mentored new RNs on best practices, hospital policies and standards of care.
- Used feedback and clinical data to improve care quality and patient outcomes.
- Acted as patient advocate and implemented total patient care through team nursing process.
- Coordinated and managed care for patients undergoing myocardial infarction screening and anticoagulation therapies.

Camp Counselor

05/2014 - 08/2019

Fresh Air Home | Tybee Island, GA

- Engaged children in arts and crafts, singing, sports activities, games and field trips while maintaining safe environment.
- Cultivated effective relationships with campers, parents and other camp counselors by utilizing active listening and dynamic interpersonal skills.
- Coordinated and led group activities for campers and counselors.
- Assisted homesick children by actively listening to concerns and providing emotional support.
- Guided, mentored and counseled adolescents and at-risk youth to help achieve personal

and spiritual goals.

- Enforced discipline and policies to protect safety of recreational activity participants.
