Just started working the weekend program at Jefferson Manor Nursing Home

Willing to relocate to: Baton Rouge, LA - Denham Springs, LA - Central, LA

Work Experience

Private duty

Acumen LLC - Baton Rouge, LA

July 2022 to Present

Started working mostly ADLs, vitals; basic helping duties like feeding, bathing. Working here until I finish my clinical hours renewing my LPN license.

LPN Private Duty Nurse (and staffing)

Advantage Nursing - Baton Rouge, LA

February 2005 to October 2008

Total care, I worked with toddlers- teenagers with difficult health issues one- on- one, at their homes mostly. Complete ADLs, VS, transfers, travel to/from appointments, trach care (cleaning/suctioning with and without oxygen) stoma care, peg care (feedings and medications), DM care and insulin injections, wound care if necessary, cath care/specimen collection and/or labs, consistent communication with doctors/pharmacy/agency,/ family. A lot of follow-up, and a lot of charting. Also worked filling in spots at a couple different hospitals sometimes and a couple of different nursing homes.

LPN (Licensed Practical Nurse)

Harvest Manor Nursing Home - Denham Springs, LA

April 1996 to September 2007

Started working at this facility as CNA, and after nursing school a LPN (worked here several different times on/ off). I had the rehab and locked unit. My duties consisted of VS, DM care and insulin injections, stoma/peg/cath care, labs,wound care,; making rounds with the doctor (taking orders and following through), assisting the therapist with their rehab/ therapy, incidents care/reports and much charting.

LPN (Licensed Practical Nurse), CNA

HERITAGE HOME HEALTH - Denham Springs, LA

September 1998 to June 2002

Also started working as a home health aide whereas I would go to patients homes, help with diabetic care, assist with meds (making sure they were taking correctly and not missing doses,etc), bathing, dressing, meals. I did this parttime until I received my LPN license,. My focus then switched more toward wound care, specimens, bloodwork, injections, meds, making sure patients needs were met completely (making sure CNAs were performing correct patient care), and charting.

Education

LPN in Nursing

Indeed Assessments provides skills tests that are not indicative of a license or certification, or continued development in any professional field.

Additional Information

I worked at LCIW~Womens prison as LPN for over a year, not sure of date exactly. The long gap in employment was due to an automobile accident in 2008 going to work, that is why i have not worked in quite a while. I am more than willing and able to care for people once again; and I've really missed the gratification of helping people.
