Work Experience

RN Case Manager

Vibra Healthcare - Portland, OR

August 2022 to Present

Responsibilities include coordinating clinically complex patients care across a continuum; ensuring and facilitating the achievement of quality clinical and cost outcomes, negotiating, procuring and coordinating appropriate services and resources needed by the patients, and at key points, intervening to address and resolve issues/ concerns. Key in ensuring appropriate sequencing of treatment goals and implementation of a comprehensive discharge plan. Demonstrate knowledge and skills necessary to provide case management services to the patient population ranging from ages 18 to geriatric experiencing medically complex conditions, general medical-surgical conditions with rehabilitation and wound care needs.

General Contractor/Laborer

Contractors Employment Service - Portland, OR

June 2022 to Present

Some of my responsibilities include ensuring safety on the job site, porter work, assisting carpenters with framing, general cleaning, water resistant sealing application, cement and pipe fittings. As well as assisting site manager with various tasks such as boat cleaning, setting up anchor points for flotation device, etc.

RN MPX Vaccinator

Rhino Medical - Portland, OR

September 2022 to September 2022

As a RN MPX vaccinator I was responsible for vaccinating individuals at the MPX (monkey pox) vaccination clinic in Wood Village, Portland OR. Some of my responsibilities included patient identification, ensuring appropriate administration of vaccine (intradermal vs subcutaneous), maintaining aseptic technique and providing quality care to various underserved populations.

Infection Control Nurse/ Staff Development

Secora Rehabilitation of Cascadia - Portland, OR

May 2022 to June 2022

As the Infection Control Nurse I was responsible for tracking infections within the facility and finding patterns to mitigate the spread of infection. As well as tracking Antibiotics utilization and antibiotic

stewardship. I was also responsible for tracking vaccination status of staff and residents. Some of my other responsibilities would include orientating and training new nurses as well as CNAs.

Harvester/Trimmer/Pre-Roller/Packer

GreenForce Staffing - Portland, OR
March 2022 to April 2022

I was responsible for harvesting and trimming product as well as packaging and making pre-rolls for consumption. I was also responsible to make quota and working in a team.

RN Case Manager

Willamette Valley Hospice - Salem, OR
June 2021 to October 2021

As a Hospice RN case manager I am responsible for helping and guiding patients and their family through the death and dying process. Some of my responsibilities included to medication management, assessments, discharges and providing education. I am also responsible for coordinating care and providing interventions throughout the dying process.
