Work Experience

Override assistance

Piggly Wiggly/Food for less - Albany, GA

December 2021 to Present

As an override assistant I work at the self checkout machines and give the cashiers overrides. I helped train the new cashiers and made sure everything was done while the managers were on break. I made sure the aisles were blocked, bathrooms and break room cleaned, and the front end clean. Lastly I would walk the store to make sure everything was in place.

Debone line worker

Pilgrim's - Douglas, GA

May 2022 to June 2022

I cut as an X-cutter on the line most of the time and we switched positions every now and then. I also pulled breast and cut the bones out of the breast. I also made boxes and worked in marination packing wings.
