Private Home Health caregiver

Odell, IL

September 2012 to May 2018

I have taken care of patients in a private home environment for the last 5 years. I have worked with them in every aspect of their care from the time they move in until the time they pass away. I have not only learned how to care for people during the end of their lifetime, I have also learned how to take care of their families in their time of grief.
