Registered Nurse

Ability to effectively think clearly and use independent judgment in routine and non-routine situations

Current CPR/BLS/ACLS Certification

Detail orientated and a passion to learn new skills while helping others

Work Experience

Registered Nurse

Midwest Recovery Center - Kansas City, MO

October 2021 to Present

I am a detox nurse who carefully cares for our clients in their most difficult time of drug/alcohol recovery. I completely intake paperwork, collect blood and UA samples, perform BAC via a breathalyzer, and conduct a complete head-to-toe assessment on all clients that enter on my shift. I also complete med pass as required by our medical director and work on building a relationship of trust with our client population.

Registered Nurse

North Kansas City Hospital - Kansas City, MO

July 2021 to Present

Progressive Care Unit (PCU). 36 hours per week of clinical work in PCU.

Record patient medical history, vital statistics and test results in medical records. Monitor post-op vitals, set up fluids, review post-op orders and orientate patients to unit. Provide education to patients on detox and withdrawal medications, addiction, recovery, coping skills and resources. Manage Heparin drip, Insulin drip, and blood administration. Develop and maintain quality care systems and standards. I am a disciplined, energetic employee who quickly establishes rapport with patients and colleagues.

ER Nurse

Amberwell Health - Atchison, KS

May 2022 to October 2022

Psychiatric Nurse

ReDiscover - Kansas City, MO

March 2022 to May 2022

Nurse Intern

Research Medical Center - Kansas City, MO

January 2020 to July 2021

Anatomy Lab Technician

Johnson County Community College - Overland Park, KS

January 2017 to December 2019

Anatomy lab monitors are hired by the college to supervise the lab. Lab monitors are responsible for the operation and the environment of the lab, to ensure a conducive environment for learning.

EMT/Paramedic

Acadian Ambulance Service/ASAP Ambulance Service - Jackson County, MS/Green County, MS
January 2012 to December 2012

- Responsible for running 911 emergency calls in a timely manner.
 - Responsible for responding to all types of 911 emergencies to include trauma, medical, cardiac arrest, and MVA, and required to transport patient safely to a medical facility.
 - Required to work under extreme pressure and make split second decisions in the best interest of the patients.
- United States Army Infantry 1996-2010

Education

Associate in Science (AS) in Registered Nurse

Metropolitan Community College-Kansas City - Kansas City, MO
2019 to 2021

Diploma in Pre Nursing

Johnson County Community College - Overland Park, KS
August 2015 to May 2019
