OBJECTIVE

To further my education to become a RN

EXPERIENCE

Everest Rehab Hospital- LVN

- At this occupation I worked with patients recovering from hip fractures, total knee replacements, amputations and more. Some patients had CHF, Chronic Kidney Disease, tracheostomies, peg tubes, IV's and wounds. I also completed admissions, discharges, and care plans while working here.
- ShiftKey-LVN
- At this facility I did bladder scans, catheter placements, changed ostomy bags and more.
- Direct Care Staffing- I worked at different facilities and with a variety of age groups.

EDUCATION

Tyler Junior College-LVN Certificate

Mount Pleasant High School- High School Diploma

AWARDS AND ACKNOWLEDGEMENTS

- Phi theta Kappa Member
