A nursing graduate with a diverse professional background, academic achievement, compassion, leadership, and excellent interpersonal skills. Dedicated to delivering high-quality, cost-effective, and evidence-based services to patients in order to help them achieve their goals.

Work Experience

New Graduate Medical Surgical Nurse

Centinela Hospital Medical Center - Inglewood, CA

May 2022 to Present

I am responsible for the delivery of safe patient care utilizing the nursing process of assessment, planning, implementation, and evaluation. I provide direct patient care within the scope of practice. I also direct and guide patient/family teaching and activities of other nursing personnel while maintaining standards of care within the Medical/Surgical Unit. I am directly responsible and accountable for the care given to my assigned patients. I communicate with physician about changes in the patient's clinical condition, including cardiac monitoring, results of diagnostic studies, and symptomatology. I am able to respond quickly and accurately to changes in condition and/or response to treatment.

Preceptorship at Case Management Department

St. Francis Medical Center - Lynwood, CA

July 2022 to September 2022

I also have a ten week preceptorship at the case management department at St. Francis Medical Center. The preceptorship was informative and helpful for understanding broad views of nursing management.
