Manager/community Liason/ LPN

Hospitality Home Care - SeaTac, WA

July 2019 to Present

I have assisted in caring for and assessing patients for in home care, I provide safety inspections in the home, marketing and attending events for business promotion and collecting and contacting community resources to aid in the care of our clients. I am also a caregiver and enjoy caring for my patients. I work as an assistant care manager in the office, assisting in hiring, auditing files and licensing verification, background checks, ensuring proper information is in the database, connecting caregivers with the right clients and vice versa. I always try to do my very best to meet the needs and exceed expectation. I work hard and love what I do, which makes it not feel like work at times.
