EXPERIENCE

REGISTERED NURSE, WEST VALLEY DETENTION CENTER JM STAFFING

June 2022 - Current

As an RN in a correctional facility, I deal with acute and trauma care on a daily. I collaborate with the interdisciplinary team and provider while also making my nursing judgment calls to get the inmates the best medical care they can. Nursing assessments specifically focused on assessments and acute care are the main correctional nursing occurrences.

NURSE EXTERN, KAISER PERMANENTE DOWNEY MEDICAL CENTER

January 2021- Continuing

As a student extern nurse, I worked alongside the interdisciplinary team and specifically the registered nurses in providing care for patients that are admitted to the medical-surgical floor. During the pandemic, COVID patients became our main priority in providing help with vital signs and providing patient care.

ISHE CARE HOME

JANUARY 2013 - AUGUST 2014

I became a direct care worker so I catered to the patients. I made them their daily food and supplied them with their medicine while also keeping track of their blood pressure. I also attended the doctor's appointments with them.

COACHING FOR A 8-YEAR-OLD BOYS BASKETBALL TEAM

JUNE 2015 - AUGUST 2015

I was a coach for a recreational boys' team. I taught the team the importance of teamwork and how expectations of each other are important as well.

GAP Inc.

September 2016 - December 2016

Sales Associate on the floor which helped customers with any questions that they had. Also, tend to the merchandise markdowns and restocks.
