

Calvin Henderson

ICU NURSE

Honea Path, SC 29654

calvinicu@yahoo.com

+1 864 747 8159

I am a former ICU nurse from Glendale Az. I moved to South Carolina in September of 2017 to enjoy the good life, and so far so good. I have had the fortunate ability to take some time off and recharge my batteries. My ability to critically think, multi task and use common sense is apparently in great need in todays job market.

Authorized to work in the US for any employer
