Experiencia laboral

PLANET FITNESS FRONT DESK ASSOCIATE

mayo 2020 - junio 2021

As a front desk associate, I was required to fulfill the needs of the customers. It was my responsibility to disinfect and clean every machine to provide the cleanest and safest gym in town. Working with this environment also helped me with more knowledge and how to further solve issues with members payments and their accounts.

GNC SALES ASSOCIATE

junio 2019 - marzo 2020

GNC associates are required to provide customers with supplements that will help them reach their goals. As an employee I had the responsibility to handle cash as well as take payments through the POS. I was also required to stock merchandise from the shelves, check for any expired or close to expiration products, as well as to maintain the shelves, restroom, and windows clean.
