## Work Experience:

### **RN Travel Nurse**

**St. Francis Hospital- Bartlett**

**Bartlett, TN**

01/2022-04/2022

I am a travel nurse assigned to the PACU. I am responsible for all aspects of recovery.

### **RN Staff Nurse**

Methodist Le Bonheur Healthcare

-Memphis, TN

June 2020 to December 2021

PACU/RECOVERY/TELE FLOAT

### **RN TELE/ICU/PACU**

LHC Group

-

Lafayette, LA

August 2018 to June 2020

**RN ICU AND TELE**

Care of vent, trachs, multiple patients with extensive needs. Wound care, medication administration, lab draws, suctioning and maintenance of trachs.

### **Surgery Coordinator**

LGMD HEART AND VASCULAR CENTER OF ACADIANA

08/2017 to 08/ 2018

Responsibilities: I was responsible for maintaining the surgery schedule and coordinating all patient surgeries. This included meeting with the patient and their family to educate them on any pre-surgery requirements, scheduling all required pre-op diagnostic testing, verifying that all consent for surgery forms are complete. I also communicated with the surgeons and physician's assistant for any inpatient or outpatient orders and/or medication. In addition to pre-op duties, I also screened post-op phone calls and assisted patients with post op care and medication questions in lieu of speaking with the surgeons.

I also coordinated home health therapy for post-op patients. In the clinic, I also provided wound and wound vac care for nonhealing

surgical wounds as well as organizing surgical representatives from different pharmaceutical companies.

### **RN PACU, LAFAYETTE GENERAL MEDICAL CENTER**

05/2014 to 07/2017

Responsibilities: Provided thorough care for any patient requiring anesthesia for diagnostic testing and/ or surgery ranging in age group from pediatric to geriatric. Those patients were from all departments, including Neuro, ENT, Ortho, Gastro, Oncology, Gen Surgery and Podiatry. I also prepared patients in pre-op, including starting an IV, drawing pre-op labs, make sure that surgical area is prepared and marked by the Surgeon and all consents were signed. During surgery, I was in contact with the OR and Anesthesia and provided timely updates to family members. Post Op, I worked closely with Anesthesia to ensure that patient vital signs were within normal ranges. I was responsible for administering post- op medications, such as pain, anti-nausea, blood pressure and any others required to keep the patient comfortable. During this time, I also assisted Radiology with post-op X-rays.

### **PACU, CENTRAL LOUISIANA SURGICAL HOSPITAL**

06/2011 – 04/2014

Responsibilities: Provided thorough care for any patient requiring anesthesia for diagnostic testing and/ or surgery ranging in age group from pediatric to geriatric. Those patients were from all departments, including Neuro, ENT, Ortho, Gastro, Oncology, Gen Surgery and Podiatry. Post Op, I worked closely with Anesthesia to ensure that patient vital signs were within normal

ranges. I was responsible for administering post-op medications, such as pain, anti-nausea, blood pressure and any others required to keep the patient comfortable. During this time, I also assisted Radiology with post-op X-rays. When patients were to be discharged, I removed IV's, provided post-op care and discharge instructions and scheduled follow up appointments.

**RAPIDES WOMENS AND CHILDRENS HOSPITAL**

06/2009 to 06/2011

Responsibilities: Provided care for premature neonates including feeding, changing, bathing, medicating, titrating drips for blood pressure and heart rate. Communicating with parents the plan of care and condition of the infant as well as providing emotional support during their difficult time in the hospital.

**Education**

**Associate Degree in Nursing in Nursing**

As of Monday March 21 2022 01:23:42 PM US Central Time

**Disclaimer of Representations and Warranties**

Through a written agreement, participating individual state boards of nursing designate Nursys as a primary source equivalent database. NCSBN posts the information in Nursys when, and as, submitted by the individual state boards of nursing. NCSBN may not make any changes to the submitted information and disclaims any responsibility to update or verify such information as it is received from the individual state boards of nursing. Nursys displays the dates on which a board of nursing updated its information in Nursys.

This report is not sufficient when applying to another board of nursing for licensure. Use the "Nurse License Verification for Endorsement" service to request the required verification of licensure.

Contact the board of nursing for details about the Nurse Practice Act, which includes nurse scope of practice and privileges and information about advanced nursing practice roles (practice privileges, prescription authority, dispensing privileges & independent practice privileges).

**UNENCUMBERED** means that the nurse has a full and unrestricted license to practice by the state board of nursing.
