Hello I am turning 21 in July and hoping to find a job in which I'll be able to continue my education. I am a fun charismatic hardworking loving co worker . That always has a second thought of how the other person will feel before my actions I hope to serve which ever company out there reading this with pride and humbleness.

Some traits of mine

Thankful, responsible, helpful, thoughtful, easygoing ,
good timing , confident , problem solver, creative, love to learn, patient , reliable and honest .

Work Experience

Amazon Sortation Associate

Amazon - San Antonio, TX

January 2019 to February 2020

tasks like putting customers packages on the conveyer belt after taking them from the trucks that come daily however many would be coming in my 4hour shift . We would also do scanning of packages of all sorts, and would build pallets by matching the the (package number) with the numbered pallets .

Cashier

Dairy Queen - San Antonio, TX

February 2018 to April 2019

Stock up the ice machine buss tables take out orders .

Label and item packager

Haifa whole sale - San Antonio, TX

March 2015 to May 2017

Finds items put them in boxes that fit and label it . Build pallets and get the ready for the ups truck
