

JUSTINE STRELCHYK, BSN-RN

5001 FM 822, Edna TX 77957 | (361) 550-1714 | jstrelczyk@gmail.com

Career Summary

I am currently enrolled in a MSN-FNP degree program at University of Texas at Arlington. I have been a RN for ten years, with nine years' experience as an LVN. My most current position was an Interventional Radiology Registered Nurse. Certifications I hold include TNCC, ACLS, BLS, and medical coding certification. I consider myself well organized and methodical in delivery of care. High stress situations I handle with ease and compassion, while maintaining my composure. I work well with others, I am self-disciplined, driven, and motivated to always provide compassionate care while maintaining integrity. Fast paced environments are where I belong, management and delegation of team-oriented tasks is where my performance excels.

Professional Organizations

I am an active member in American Nurses Association, Texas Nurses Association, and American Association of Nurse Practitioners. I volunteer through ANA & TNA supporting nurses and recognizing their efforts in my region.

Languages

· Proficient in English, can speak and read/write some Spanish.

Software

· Proficient in all office programs including Microsoft Excel, Word, PowerPoint and Outlook. Able to type 70 wpm. Very computer literate. Fast learner of EHR software, Meditech, HMS.
