- I gave my notice to move to Myrtle Beach to help take care of my father that was diagnosed with terminal cancer

RN Recovery Room - Oral Surgery

Oral Surgery Institute of the Carolinas - Greensboro, NC

January 2018 to January 2019

Essential Functions

Recovery Room and Post-Operative Care, assisting patients and caregivers through the recovery process after surgery.

- Transport patients from surgery to recovery and recovery to transportation, communicating with surgical staff any special needs that may be required by the patient.
- Treat post-operative patients and caregivers with respect and care, ensuring that all communication is private according to HIPAA guidelines.
- Ensure the patient and caregivers are comfortable during the recovery process by providing blankets, cold packs, chair adjustments, etc.
- Take vitals, change gauze, take post-operative x-rays as needed, and update all information in the patient's chart.
- Adhere to office protocol when discharging a patient and make sure all EHR records have been completed and are accurate.
- Educate the patient's caregiver and/or the patient on post-surgical care and nutrition.
- Review the post-surgical information in the packet given to the patient and guide them through the process of an after- hours emergency.
- Place follow-up call to patient two-three hours after surgery and notate information in the patient's chart.
- Schedule and see post- operative appointments according to Practice guidelines.

Other Duties:

Maintain crash cart by examining for expired drugs or drugs that need to be replenished. Understand the drug regulations and make necessary log entries.

Prepare post-operative packages according to the surgery received.

Sanitize recovery room chairs and wheelchairs, wash surgical blankets, and keep the recovery room clean according to OSHA protocol.

Keep the recovery room neat and organized.

Prepare syringes, assist with stocking supplies, assist the Clinic Director by drawing up drugs.

Assist with triage phone calls in the afternoon and direct phones calls as needed to the appropriate assistant.

OSHA - responsible for maintaining the OSHA handbook and ensuring that all staff are following OSHA regulations. Report any OSHA incidents to the Clinical Director or Practice Administrator.

- Took a position in a hospital to further my experience and education

LPN (Licensed Practical Nurse)

Carolina Laser and Cosmetic Center - Winston-Salem, NC

January 2016 to June 2016

Carolina Laser and Cosmetic

- Handling pre-operative clearance of scheduled surgical patients
- Preparing the operating room with necessary equipment for surgical cases
- Preparing and administering medications
- Assisting CRNA's as needed
