EXPERIENCE

SUNYANI REGIONAL HOSPITAL

STUDENT NURSE (REGISTERED GENERAL NURSE)

August

2012 -

August

2013

I have worked at the sunyani Regional Hospital when I was a student. The facility is located in the Bono Region. It has a bed capacity of about 300. They render a lot of services to its people and the associate nearby towns. Services offered at the facility includes; Child Development, Child life, Diabetes Education, Hypertensive Education, Nutrition Counseling, Sickle Cell Clinic, Emergency Services, Home Base Care, Obstetrical, Gynecological, Reproductive Medicine, Drug Adherence Counseling etc.

The Hospital has been designed with several departments including Administration, Outpatient department (OPD), Male and Female Surgical Ward, Male and Female Medical ward, Isolation Ward, Child Ward, Pharmacy, laboratory, Psychiatry ward, Surgical suite (Operation department), Emergency and Casualty, x-ray department, Dental clinic, ultrasound unit, Obstetrics and gynaecology, orthopedics, Public Health unit etc. The Hospital provides general nursing care in response to clients needs supported by nursing Knowledge, research and reflective practice. Assists in preparation of unit, patient rooms and beds for receiving patient's admissions, returning surgical patients, transfers, emergencies or discharge. Takes and records temperature, pulse, weight, SpO2, height and blood pressure. Assessed, diagnosed, and planned care for multiple patients. Utilizes and ensures maintenance of equipment and instruments as appropriate.
