Report progress and unusual occurrences.

Record and report all information within scope of authority.

Perform assessment of patients; evaluate symptoms.

Instruct individual patients and family on follow-up care, toxicity and side effects of chemotherapy and radiation therapy.

Assist in assessment of pain management.

Other duties as assigned

Vaccination Registered Nurse

Safeway Pharmacy - Santa Cruz, CA

November 2021 to December 2021

Giving immunizations both COVID and Influenza. All 3 COVID shots and boosters for Moderna/Pfizer. By appointment and walk ins. I am the only RN present. Per diem position.

- Worked directly with pharmacists.
- Collected and interpreted patient data
- Delivered patient education

Special Procedures, Pre-op and PACU RN

SUTTER MATERNITY AND SURGERY CENTER - Santa Cruz, CA

August 2021 to October 2021

Seasonal Position Per Diem

Accountable for the assessment, coordination delivery and evaluation of nursing care, including direct patient care, patient/family education and transitions of care in an acute patient setting.

Endoscopy/Special procedure department. Working as an RN trading roles in procedures as an RNA (Assisting the Surgeon in the procedure with use of instruments) or Sedation RN (giving moderate sedation to patients while monitoring closely during a procedure). These procedures were either Colonoscopies or Endoscopies (EGD) or both.

Charting using EPIC system and working alongside a quick and efficient team of doctors and nurses.

Critical Care and Cardiac Registered Nurse

Good Samaritan Hospital - San Jose, CA

March 2018 to August 2021

Registered Nurse at either a 4:1 or 3:1 ratio, depending on how critical the patients are, working 8hr shifts 4 days a week on a cardiovascular acute care unit. We work with patients pre/post cardiac surgeries among other general procedures. All our patients come in with a number of problems and comorbidities. Our job is to use critical thinking, ethics, and compassion to come up with the best way to treat our patients.

Medical Surgical Registered Nurse

Dignity Health - Santa Cruz, CA

September 2019 to March 2020

Registered Nurse at a 5:1 ratio working on a medical surgical unit floating back and fourth to a med-surg overflow floor (psych floor) bi-weekly. These patients require patience, empathy, compassion, and active listening. These are people with not only medical conditions but mental illnesses as well.
