Experience

Kaweah Health

Registered Nurse (RN), Visalia, CA
07/2017 - Present

- Skilled in various areas in the emergency department including trauma, triage, critical and urgent Care.
- Manage care of critically ill patients that require high risk medications and invasive interventions.
- Function in a multidisciplinary collaborative team to ensure effective patient care delivery according to the patients identified condition and addressed nursing care needs.
- Utilize the nursing process to efficiently assess the patient's condition, implement interventions, and evaluate patient outcomes in emergency situations.
- Experience with Pyxis medication distribution and computerized charting. Perform medication administration and document response to pharmacological treatment.
- Participate in patient treatment planning and implementation as part of a collaborative team.

Additional positions held as part of my employment as a Registered Nurse in the emergency department:

Trauma Team Lead (TTL): Act as team leader for the trauma team in a level III trauma center. Stroke Team Lead (STL): Act as stroke response nurse for incoming stroke alert patients in need of evaluation and treatment.
