## Work Experience

---

### **RN Staff Nurse**

Columbine Health Systems - Windsor, CO

June 2020 to Present

I am the only RN on NOC shift in charge of 30 residents well being. The job includes assessments, medication administration, wound care and supervision of 2 CNA's.

### **OR Nurse**

Eye Center of Northern Colorado - Fort Collins, CO

May 2018 to June 2020

As an OR Circulator for the eye center I provided the surgical patients with a sterile prep prior to surgery, positioned and secured the patient on the OR table and was responsible for maintaining their safety throughout the surgery. I administered post op eye medications, accompanied the patient to PACU and gave report to the recovery nurse.

### **OR/PreOp Nurse**

Loveland Surgery Center - Loveland, CO

June 2014 to May 2017

I worked in all peri operative areas at The Loveland Surgery Center. I worked in the pre-op area, in the OR as nurse circulator during surgery and occasionally in the PACU unit.

### **Charge Nurse**

Good Samaritan Nursing Home- Fort Collins

August 2013 to March 2014

### **RN Case Manager**

Columbine Home Care

December 2006 to December 2013
