PROFESSIONAL EXPERIENCE

Certified Dermatology Technician, Carrollton, Texas

February 2020 – Current

Mark Ray, M.D., Trinity Dermatology

Documented medical note for follow up visits, new patients, and total skin exams. Interacted with patients, took the medical history, and completed procedures such as suture removals. Assisted with biopsies, skin cancer excisions, and benign surgical excisions. Also recently started working as the Assistant Biologics Coordinator, where my duties involve initiating medication prior authorizations and educating patients about high risk medication for skin diseases.

Dermatology Medical Assistant, Boulder, Colorado

September 2017 – March 2018

Jeanie Leddon M.D., Bolder Valley Center for Dermatology

Assisted with skin cancer and benign surgical excisions, biopsies, and Mohs surgery. Documented medical note for follow up visits, new patients, and total skin exams.

Cardiologist's Scribe, Fort Worth, Texas

September 2016 – May 2017

Naginder Sharma M.D., Huguley Hospital

Documented a variety of consultation, progress notes, and Cath reports for a Cardiologist.

General Medicine Clinic Scribe and Medical Assistant, Crowley, Texas

August 2016 - May 2017

Ehab Hanna, M.D., The Vine Medical Center

Responsible for documenting the electronic medical record for follow up and new patients in the clinic.

Hospitalist Scribe, Fort Worth, Texas

August 2016 - May 2017

Ehab Hanna, M.D., Huguley Hospital

Documented History and Physical, Progress, Consult, and Discharge notes for a Hospitalist. I also documented follow up and lab review notes in the clinic setting.

Emergency Physician Scribe, Fort Worth, Texas

September 2014 - May 2017

Tyro Medicus, Huguley Hospital

Documented emergency room records for patients with varying acuities, including Code Stroke, STEMI, Cardiorespiratory Arrests, Trauma, and Sepsis patients.
