EDUCATION

Morton Terrace, Morton, IL

Director of Nursing-Registered Nurse, 2016-2017

Principal strategist in charge of overseeing, leading and controlling daily department operations including supervising nursing staff; educating staff on policies and policy changes; and ensuring document completion in accordance with all regulatory and organizational standards. Sourced, recruited, trained, evaluated, retained and conducted continuing education with staff.

Key Accomplishments

- **Oversaw in house dialysis unit.** Directly improved patient care and satisfaction levels.
- **Successfully improved staff confidence and competency** in respect to policies and procedures for both wound care and infection control.
- **Leveraged wound care certification, and strong clinical expertise to educate and guide staff** in the process of delivering the best nursing care to their patients.
- **Oversaw and directed the Infection Control Committee** which monitored both resident and staff infections. Monitored all wounds/skin conditions in the facility and closely collaborated with the PCP to implement the best care possible.

ST. JOSEPH NURSING HOME, Lacon, IL

2014 – 2016

Director of Nursing-Registered Nurse, 2015-2016

Floor Nurse (RN) Dec. 2014 – March 2015

Assistant Director of Nursing: March 2015- July 2015

Principal strategist in charge of overseeing, leading and controlling daily department operations including supervising nursing staff; educating staff on policies and policy changes; and ensuring document completion in accordance with all regulatory and organizational standards. Sourced, recruited, trained, evaluated, retained and conducted continuing education with staff.

Key Accomplishments

- **Improved state ratings, driving it 2 stars to 4 stars.** Directly improved patient care and satisfaction levels.
- **Successfully improved staff confidence and competency** in respect to policies and procedures for both wound care and infection control.
- **Leveraged wound care certification, and strong clinical expertise to educate and guide staff** in the process of delivering the best nursing care to their patients.
- **Oversaw and directed the Infection Control Committee** which monitored both resident and staff infections. Monitored all wounds/skin conditions in the facility and closely collaborated with the PCP to implement the best care possible.

ASTA CARE, Toluca, IL

2013 – 2015

Assistant Director of Nursing, 2013-2015

RN: Aug. 2013- Aug. 2013

LPN: Oct. 2011-July 2013

Controlled and directed daily operations including supervising the nursing staff and assisting on the floor as needed. Ensured optimal staffing levels by managing all aspects of scheduling including overtime hours. Mentored, motivated and delivered guidance to staff while they attend to the daily nursing needs of residents.

Key Accomplishments

- **Maximized performance by making rounds with the PCP of the nursing facility;** monitoring and auditing charts, processing GDR as mandated by CMS; processing orders and assisting with State of Illinois survey.
- **Increased patient satisfaction and comfort levels by ensuring and open line of communication** with families and delivering excellent patient centered care. Ordered supplies, and monitored use of supplies.
