Enthusiastic, positive, and compassionate Inpatient Obstetrics Certified Registered Nurse (RNC-OB) with 5 years of experience in Labor & Delivery. A self-motivated, nurse leader seeking an opportunity that facilitates professional growth and provides the opportunity for continuous lifelong learning. Committed to caring, evidence-based practice, health promotion, and changing the lives of patients one bedside at a time.

Authorized to work in the US for any employer

Work Experience

Registered Nurse, Labor and Delivery

Hoag Memorial Hospital Presbyterian - Irvine, CA

April 2021 to Present

- Provided initial assessment and rapid triage of the pregnant patient.
- Assisted obstetrician during delivery, treatment, examination and surgical procedures.
- Monitored and documented maternal-fetal assessments using Epic Stork and GE Perinatal Electronic Fetal Monitoring software.
- Incorporated patient-centered complementary alternative therapy and epidural for labor pain management.
- Monitored maternal-fetal condition for subtle deviations in baseline and communicated evolving change in patient condition with interdisciplinary team.
- Initiated initial newborn stabilization and care in the delivery room. Promoted skin to skin and initiated breastfeeding.
- Cross-trained in obstetric triage, antepartum, intrapartum, labor & delivery, post-partum, and well-baby newborn nursery.
- Facilitated interdisciplinary communication and continuity of care using a Labor, Delivery, Recovery, & Post Partum (LDRP) model of care.
