Online Business Owner-self employed

JD Midwest Sales
October 2004 to November 2017

Customer service, inventory management, order processing, financial management, tax preparation, monitoring employee hours, and payroll.

RN Charge Nurse

Various Establishments
January 2014 to October 2017

I have worked at several long-term care facilities during this time frame. Charge nurse, Medication administration, wound care treatments, computerized documentation, patient education, supervising and educating CNA's. Ensuring patient safety, infection control measures are areas that I like to focus on.

Full Time Mother

No company
2004 to 2017

For the past 12 years I have been a stay at home mother while helping my husband run our home-based business.

Accomplishments

During this time I have completed my Associate degree in nursing in December 2010. After obtaining my RN, I returned to graduate school and achieved my MSN in Nursing leadership and management in June 2014.

RN Staff Nurse

Olathe Medical Center - Olathe, KS
October 2015 to November 2015

EKG, medication administration, patient assessments, patient education, Iv's, and telemetry monitoring. Care of patients with heart cath, post pacemaker surgery, and cardiac ablation procedures, care of patients with arrhythmias.

LPN

Various Establishments
2001 to 2007

Before becoming a full time stay at home mom I worked as an LPN in various long-term care for both smaller and larger facilities. I have experience in patient assessment, medication administration, physician orders, lab draws, wound care, respiratory/trach care, supervision of CNA's, promoted to ADON and MDS coordinator (2.0 version).

During this time I also worked with a home care quadriplegic patient in which I acquired experience with wound care vacuums, ventilator care, diabetes management, suprapubic catheter care/insertion, and tracheostomy care and trach changes.

CNA

Various Establishments
1997 to 2001

I started my path in nursing as a CNA in various long term care facilities.
